

# TECHNICAL SERVICE

## OMNIS BIOFEEDBACK SOFTWARE INSTALL AND SET-UP

**SKU:** Tech-Support-Omnis-Install

Congratulations on your decision to update to the latest OMNIS Biofeedback Software with White Dove Global.

Our goal is to deliver efficient service and support minimizing your downtime from your practice.

On average, this service will require a 1.5 to 3 Hour session. **The technical service fee is 249.00.**

**Note: This service does not include the 100.00 Euro Activation fee.** If you have upgraded and paid for the EDUCTOR64 (3-3-2018) version from January 2020 on, you will receive the OMNIS activation at no cost. If you already have an active OMNIS Software Activation on another computer then this will not be a needed additional charge.

**Price:** \$249.00

**Categories:** [MISC.](#), [SUPPORT SERVICES](#)

## BIOFEEDBACK BASIC TECHNICAL SUPPORT

**SKU:** Tech-Support-Basic

**Note:** If additional support is needed required, an additional 1.25/minute will be billed.

This purchase covers personal technical support service via remote online access via TeamViewer screen sharing.

\*NOTE - This service fee does NOT include any software activation fees related to your biofeedback software or any other installed software on your computer.

**Price:** \$59.00

**Categories:** [MISC.](#), [SUPPORT SERVICES](#)
