EDUCTOR ACCESSORIES

EDUCTOR FULL HARNESS SYSTEM - QX

SKU: QX-EDUC-Full-Set

The **EDUCTOR Limb Straps** are Reliable, safe, easy to use!

- Reliable, safe, easy to use!
 - Made of vulcanized rubber, proved to be the safest and most conductive material
 - Easy to connect to the device and client
 - Connection to the device made through new and improved plugs
 - Color coding for support
 - Reliable, safe, easy to use!

Price: \$555.00

EDUCTOR HEAD HARNESS - QX

SKU: QX-EDUC-HH

The **EDUCTOR Head Harness** is Reliable, safe, easy to use!

- Made of vulcanized rubber, proved to be the safest and most conductive material
- Easy to connect to the EDUCTOR device and client
- Color coding for support
- Connection to the device made through new and improved plugs

Price: \$297.00

Categories: [ACCESSORIES](#), [EDUCTOR Accessories](#)

EDUCTOR LIMB LEADS W/ STRAPS - QX

SKU: QX-EDUC-LS

The **EDUCTOR Limb Straps** are Reliable, safe, easy to use!

- Reliable, safe, easy to use!
 - Made of vulcanized rubber, proved to be the safest and most conductive material
 - Easy to connect to the device and client

EDUCTOR LIMB LEADS W/ STRAPS

SKU: HH03-ED

This is the Limb Leads and Straps designed for the EDUCTOR Biofeedback System and constructed from the highly conductive **BioTrobe™** Rubber.

The package includes:

(set of 4) 1"W x 15"L straps - sku- HH04;

(1) **BioTrobe™** flexible 8' Quick Release superior quality wire set - sku - HH05. (Connector designed for EDUCTOR)

Price: \$295.00

Categories: [ACCESSORIES](#), [EDUCTOR Accessories](#)

EDUCTOR MONO HEAD HARNESS MHH-ED

SKU: MHH-ED

This Mono electrode pad system offers a much greater conductive surface reaching to the temples of the forehead. If you consider that all the strips or buttons in the case of the metal electrodes fire at different times there will obviously be no loss or interference with different channel frequencies. Sessions will be enhanced. Will have Eductor Connector Biofeedback.

Price: \$285.00

EDUCTOR HEAD HARNESS

SKU: HH02-ED

Price: \$275.00

Categories: [ACCESSORIES](#), [EDUCTOR Accessories](#)

EDUCTOR LIMB LEADS (NO STRAPS)

SKU: HH05-ED

These are the Limb Leads designed for the EDUCTOR Biofeedback System.

The package includes:

(1) BioTrobe™ flexible 8' Quick Release superior quality wire set.
(Connector designed for EDUCTOR)

Price: \$160.00

Categories: [ACCESSORIES](#), [EDUCTOR Accessories](#)

EDUCTOR MONO HEAD HARNESS RUBBER ELECTRODE MHH-RE

SKU: MHH-RE

This Mono Head Harness Rubber Electrode is designed to work with the [Mono Electrode Pad System](#), offering greater conductive surface reaching to the temples of the forehead.

Price: \$45.00

Categories: [ACCESSORIES](#), [EDUCTOR Accessories](#)

INDIGO ACCESSORIES

INDIGO HARNESS SYSTEM HH01-I

SKU: N/A

This is the full system that combines all you need in a combination set designed for the INDIGO Biofeedback System.
Includes: 1- Human Head Harness HH02-I, 1- 6' Quick Release Limb Wires Color Coded for iNDIGO HH05-I, 4- 1"x 14" BioTrobe™ Rubber/Velcro® Limb Straps HH04

Price: \$570.00

SCIO VELCRO LIMB STRAPS W/ 8' LIMB WIRES

SKU: HH03

Price: \$270.00

Categories: [ACCESSORIES](#), [SCIO Accessories](#)

SCIO HEAD HARNESS

SKU: HH02

The **BioTrode™** Head Harness is constructed of durable, lightweight and breathable nylon webbing. Weighing in at 4 ozs, our comfortable 2"W x 30"L Head Harness fastens quickly yet easily with soft hook & loop end tabs. It comes with a 8' attached cable which allows for more ease of movement, proximity between clients and reduces tugging on the EPFX. Fully balanced 1/4" wide highly conductive **BioTrode™** Rubber electrodes provide greater surface area contact for even distribution: No more hot spots! It has been reported 40% or more enhanced conductivity with faster rectifications and overall quality performance, allowing you to get through more programs in less time.

Price: \$250.00

SCIO 8' LIMB WIRES

SKU: HH05

Highly conductive slim wire harness with identifying color coded end connectors. 8' long wires allows for more discrete ease of movement and relaxed proximity between clients and SCIO. Additional adjustable wire looms control tangling. End to end wire welded design eliminates any mechanical break down that would inhibit signal performance. End connector magnets are encased in a plastic over mold design that attach easily to the rubber straps. Full one year warranty for repair or replacement.

Price: \$135.00

Categories: [ACCESSORIES](#), [SCIO Accessories](#)

Human 8' Limb Wires HH05

SCIO | EDUCTOR RUBBER/VELCRO® LIMB STRAPS

SKU: HH04

These high quality **BioTrode™** limb straps are designed for both the SCIO and/or EDUCTOR Biofeedback devices.

The package includes:

(Set of 4) -1"W x 15"L **BioTrode™** Quick Release set of straps designed to work with the BioTrode™ Leads

Price: \$135.00
