9.	SOFTWARE - BodyViewer	BodyViewer	1	\$0.00	\$0.00
	<p>BodyViewer</p> <p>Walking the pathway to health becomes so much easier when clients can actually 'see' what needs fixing! Project visual enhancement with high quality videos during the OMNIS session! With the Body Viewer, you are literally able to offer your patients a 3D experience, using the combined effects of visualization and very specific guided imagery designed to aid the main session as light frequential treatment. A whole library of audio video material is at your fingertips, all amplified with a mix of vibrational, auditory and visual stimuli that will actively involve the client in the recovery process. The powers of guided imagery and positive reinforcement have tremendous effects on general wellbeing, or on a focused specific problem we want to address. The Body Viewer is in constant information exchange with the main OMNIS, auto focusing its subconscious choices using the results you obtain continuously during your session. You can make your own selections or run an automated flow of therapies that gets the most current information from the OMNIS!</p>				
10.	SOFTWARE - Disease Dictionary	Disease Dictionary	1	\$0.00	\$0.00
	<p>Disease Dictionary</p> <p>Focused on health case, this is a sort of dictionary that translates a condition into multiple ways of natural medicine designed to address it and reduce the stress factors associated with it. Contrary to what its name states, this OMNIS module is anything but your typical library function. Focused on health case, this is a sort of dictionary that translates a condition into multiple ways of natural medicine designed to address it and reduce the stress factors associated with it. Click on an item in the list and you are rewarded with a range of natural therapy and advice, from Chinese Oriental Acupuncture, Electroacupuncture, Behavioral Medicine to the more conservatory Medical Definition and Symptom Check. As it runs together with OMNIS and all the other modules, you then have the option to work on multiple issues at the same time and give your patient the best possible care.</p>				
11.	SOFTWARE - Iridology	Iridology	1	\$0.00	\$0.00
	<p>Iridology</p> <p>Complement your OMNIS Software with an additional program that uses the superpowers of Iridology. Working in perfect harmony with your OMNIS, you can simultaneously run the two programs together and use the Iridology to provide light piggyback treatment for an exhaustive range of stress factors. From acupuncture points to specific eye related complaints, the Iridology focuses on stress factors in the following area: Facial, Eye, Gums, Dental, Quadrant Repair, Eye Hand Coordination, Sacred Geometry, General Anatomy and many more. As easy to use as you can imagine! Choose your point of therapy, double click and let your QUEX device carry out the ideal balancing protocols with the optimal intensity and strength.</p>				
12.	SOFTWARE - B.I.G.	BIG	1	\$0.00	\$0.00
	<p>Biofeedback Interface Graphics (BIG)</p> <p>Do you want to see how your device works in real time? Our Biofeedback Interface Graphics module is here exactly for that! Follow the reaction of your patient, the output of the device, the harness connection and valuable information taken simultaneously from the OMNIS, all at the same time. Using some of the methods of more traditional Biofeedback, the BIG can also help your patient gain balance, train themselves, master their reactions and be more in contact with their inner self and capabilities, all working together to activate the body's ability to heal itself.</p>				
13.	SOFTWARE - ANTIS - Anti-Smoking Program	ANTIS	1	\$0.00	\$0.00
	<p>The Anti-Smoking program has been designed to work with the SCIO, INDIGO and EDUCTOR systems and is designed to help relieve the habit of smoking and support those who wish to quit</p>				
14.	SOFTWARE - PRAYER - Quantum Prayer Wheel	PRAYER	1	\$0.00	\$0.00
	<p>The Prayer Wheel brings the ancient Tibetan philosophy into today's world. A software that runs 24/7, with options of adding your own prayers and Mantras as well as create group sessions and assign your own personalized affirmations.</p>				
15.	SOFTWARE - Degeneration Scan	Degen	1	\$0.00	\$0.00
	<p>Degen Scan</p> <p>A Piggyback program that detects subtle energies and allows for the possibility to work on an existing condition, if known, to apply light entrainment. From user friendly design, multiple therapy threads, to scans focused on emotional versus physical causes, the Degen Scan has it all! Degen Scan is built on the same principle as Quantic Biofeedback, helping the therapist find the causes of dis-ease, work on eliminating the stress factors, and building the path back to health from there on.</p>				
16.	SOFTWARE - NOAH - Holistic Veterinary Program	NOAH	1	\$0.00	\$0.00
