BodyViewer
Walking the pathway to health becomes so much easier when clients can actually 'see' what needs fixing! Project visual enhancement with high quality videos during the OMNIS session! With the Body Viewer, you are literally able to offer your patients a 3D experience, using the combined effects of visualization and very specific guided imagery designed to aid the main session as light frequential treatment.

10.	**SOFTWARE - Disease Dictionary**	Disease Dictionary	1	$0.00	$0.00

Disease Dictionary
This program is a dictionary that translates a stress condition into multiple ways of natural medicine designed to address it and reduce the stress factors associated with it. Click on an item in the list and you are rewarded with a range of natural therapy and advice, from Chinese Oriental Acupuncture, Electroacupuncture, Behavioral Medicine to the more conservatory Medical Definition and Symptom Check. As it runs together with OMNIS and all the other modules, you then have the option to work on multiple issues at the same time and give your patient the best possible care.

11.	**SOFTWARE - Iridology**	Iridology	1	$0.00	$0.00

Iridology
Complement your OMNIS Software with an additional program that uses the superpowers of Iridology. Working in perfect harmony with your OMNIS, you can simultaneously run the two programs together and use the Iridology to provide light piggyback treatment for an exhaustive range of stress factors. From acupuncture points to specific eye related complaints, the Iridology focuses on stress factors in the following area: Facial, Eye, Gums, Dental, Quadrant Repair, Eye Hand Coordination, Sacred Geometry, General Anatomy and many more. As easy to use as you can imagine! Choose your point of therapy, double click and let your QUEX device carry out the ideal balancing protocols with the optimal intensity and strength.

12.	**SOFTWARE - B.I.G.**	BIG	1	$0.00	$0.00

Biofeedback Interface Graphics (BIG)
Do you want to see how your device works in real time? Our Biofeedback Interface Graphics module is here exactly for that! Follow the reaction of your patient, the output of the device, the harness connection and valuable information taken simultaneously from the OMNIS, all at the same time. Using some of the methods of more traditional Biofeedback, the BIG can also help your patient gain balance, train themselves, master their reactions and be more in contact with their inner self and capabilities, all working together to activate the body's ability to heal itself.

13.	**SOFTWARE - ANTIS - Anti-Smoking Program**	ANTIS	1	$0.00	$0.00

The Anti-Smoking program has been designed to work with the SCIO, INDIGO and EDUCTOR systems and is designed to help relieve the habit of smoking and support those who wish to quit

14.	**SOFTWARE - PRAYER - Quantum Prayer Wheel**	PRAYER	1	$0.00	$0.00

The Prayer Wheel brings the ancient Tibetan philosophy into today's world. A software that runs 24/7, with options of adding your own prayers and Mantras as well as create group sessions and assign your own personalized affirmations.

15.	**SOFTWARE - Degeneration Scan**	Degen	1	$0.00	$0.00

Degen Scan
A Piggyback program that detects subtle energies and allows for the possibility to work on an existing condition, if known, to apply light entrainment. From user friendly design, multiple therapy threads, to scans focused on emotional versus physical causes, the Degen Scan has it all! Degen Scan is built on the same principle as Quantic Biofeedback, helping the therapist find the causes of dis-ease, work on eliminating the stress factors, and building the path back to health from there on.

16.	**SOFTWARE - NOAH - Holistic Veterinary Program**	NOAH	1	$0.00	$0.00

COMING in 2024!!! Brand NEW Animal Program specific for different animal species - Independant Database and test Matrix and entire new designed software interface... take your Animal care to the next level. *Only Available on QUEX Systems.

17.	**SOFTWARE -Home Use Program**	HomeUse	1	$0.00	$0.00

Home Use
Intricate part of OMNIS, the Home Use module is "home" to your automated therapy base, quick and easy to use, one of the most favorite modules amongst our therapists. You can personalize a session on the spot, choosing from more than 25 therapy options, with individual timings and an overall progress view. Ideal for returning clients that want to work on specific items, an impromptu client drop by, or even a self-focused session. Outstanding results while being time efficient!

18.	**SOFTWARE - Smart Report**	SmartReport	1	$0.00	$0.00

The Smart Report is everything you ever needed for engaging with your patients and building up your practice! Session information is now simple, visual and captivating!

19.	**SOFTWARE - Smart Report PRO**	SmartReport-PRO	1	$0.00	$0.00

Smart Report shows you the most accurate results, analyzes trends of improvement, allows for incredible personalization and learns about your patients the more you use it. You will be able to go back in time and search for any item of interest, get an average of improvement of any area of interest in time, see how risks, matrix items, emotions etc. behave in time, see what areas you worked with most and how rectification improves and changes. And if that is not enough, it will also pinpoint issues you might have forgotten, drawing your attention to an item or category that appears in the highest risk areas, to make sure you are not missing any important health aspect related to your patient. Couple your therapist intuition, knowledge and experience with our AI, and you have a perfect match!
